# Saudi Indian Forum and Expo 2024

Unlocking Opportunities, Strengthening Ties  
Bridges of Trade Cooperation

Venue: Abha Chamber of Commerce.

12 - 14 September, 2024

Organised by Better Events 

**Welcome** to the inaugural Saudi Indian Forum and Expo, a groundbreaking event showcasing the vibrant Indian products and industries, fostering cross-cultural exchange, and forging robust business partnerships. Organized by Better Events, this premier exhibition marks a significant milestone in the economic collaboration between Saudi Arabia and India.

## Kingdom of Saudi Arabia's "Vision 2030"

With the launch of Vision 2030, by Prince Mohammad bin Salman bin Abdulaziz Al-Saud, Deputy Crown Prince and Chairman of the Council of Economic and Development Affairs, the potential is now well-defined and barked by the country's visionary leaders. The Vision 2030 document reveals a well-thought-out strategy that takes into consideration Saudi Arabia's strengths and capabilities.

The Saudi Indian Forum & Trade Fair presents a unique opportunity for Indian businesses to align with Saudi Arabia's Vision 2030 goals. By participating in the trade fair, Indian companies can explore partnerships, showcase their capabilities, and contribute to the Kingdom's economic growth and diversification. This can lead to mutually beneficial outcomes for both countries, fostering stronger trade relations and economic cooperation.

**The future is now!**

# Abha

The City of Fog and Beauty

Abha is the capital of the Asir region in the south of Saudi Arabia. It is known for its stunning natural beauty and rich history. Located on the Sarawat Mountains, Abha boasts a mild climate and breathtaking landscapes, such as the Abha Valley, Rijal Almaa Village, and Shada Palace.

## Tourist attractions in Abha

### Rijal Almaa Village

A historical village known for its unique stone houses.

### Al Soudah Park

The highest peak in Saudi Arabia, where you can enjoy breathtaking panoramic views.

### Shada Palace

A historical palace that is one of the most important tourist attractions in Abha.

### Abha Museum

A museum that showcases the history and culture of the Asir region.

### Abha Souq

A traditional market that sells local products and handicrafts.

# Advantages of Abha City

## Mild climate

Abha enjoys a mild climate throughout the year, making it a desirable tourist destination.

## Natural beauty

Abha is characterized by its stunning natural landscapes, including mountains, valleys, and lakes.

## Strategic location

Abha is located in the heart of the Asir region and is a major commercial and cultural center for the region.

## Developed infrastructure

Abha has a developed infrastructure, including a network of roads, facilities, and services.

## Cultural diversity

Abha is home to a number of Arab tribes, each with its own unique culture, customs, and traditions.

# Why Exhibit?

The Saudi Indian Forum & Exhibition, which is being held for the first time at the Abha Chamber of Commerce, aims to strengthen trade relations between Saudi Arabia and India. This event aims to :

Attracting Indian investments to Saudi Arabia

Exchange of experiences and knowledge between the two countries

Enhancing cooperation between Saudi and Indian companies

Introducing Indian products and services to the Saudi market

Opening new channels for trade and investment between the two countries

# Why should exhibitors showcase their products in Abha ?

## Target audience

Abha is a desirable tourist destination, which means that exhibitors will have the opportunity to showcase their products to a large number of visitors.

## Government support

The Saudi government supports the holding of exhibitions and events in Abha, which provides exhibitors with many advantages and incentives.

## Investment opportunities

Abha is a promising investment destination, as it offers many investment opportunities in various sectors.

## Purchasing power

The residents of the Southern Region have high purchasing power.

# Figures and statistics

The number of visitors to Abha in 2022

**2M**

visitors

The hotel occupancy rate in 2022

**80%**

The growth rate in the number of visitors in 2022 compared to 2021

**10%**
